The committee is intact nowever, and the Ladies' Hospital And society has seeined its services. The hospital benefit ball will be the result of its efforts. If you ever attended one of the "B. F. C." dances, you will certainly want to be present. Woodmen's Moving Pictures, Illustrated Songs hall, Bolster block, January twenty-

How Chauncey Willey of Barre turned fireman the other evening is told in the following newspaper article from Water-The annual convention of the second Pythian district was held with Waterville lodge, no. 35, January 10 with about 100 knights present including G. V. C. Willey of Barre; G. K. o S., C. F. O. Tinker of St. Johnsbury. D. D. G. C., M. T. Maurice of Morrisvill Degrees were conferred by Rathbone lodge, no. 24, Lamellie lodge, no. 12, and Johnson ledge, no. 32. The work of the onvention being completed, the knights njoyed a lanquet prepared by Landlove Westrot. The post-pramital program, which bid fair to be a very enjoyable one, was undenly terminated by fire Children free if accompanied by a paid breaking out in the ceiling by a large Rochester lamp. The fire was quickly extinguished by the Waterville fire department, aided by the visiting laughts. Daily, matines at 2:00, evening at to whom thanks as due for their timely

#### SIRES AND SONS.

Senator Heyburn of Idaho weighs nore than any other senator.

Lord Euston, the distinguished son of the aged Duke of Grafton, is never lost in a crowd. He is six feet four inches in height.

Hornce Goodrich Brown of Collinsville, Conn., rode a bicycle until he was acurly eighty-five years old. He has been in the employ of one firm for sixty years.

Barnum and Balley are in charge of the Burlington (Vt.) railroad station. Barnum is agent, and Balley is the train dispatcher. They have never, however, been in the circus business.

The only surviving veteran of the Mexican war in Vermont is John Mer-Skiis at Shepard's sporting goods rill Goodwin of Ryegate. His four store, over Drown's. great-grandfathers served in the Revolutionary war and his father in the war of 1812.

Major Paymaster Eugene Coffin of Manila has had his left arm amputated, the result of infection from the handling of money in paying troops. He is a veteran of the civil war and W. H. Gale went to Bullington this a member of the old McKinley regi-

ment. The Duke of Devonshire has seven stately homes-six in England and one in Irelack each of them fit for the reception of a king and not one of which, as he confessed the other day, he has yet lived long enough in to explore thoroughly.

The languid grace and philosophic calm which distinguished Mr. Balfour in the house of commons never desert The Gleaners will meet with Miss Lu-him, even in the stress of golfing. Even when he is badly bunkered his strongest ejaculation is said to be A fan drill by ten little Japanese "Botheration!" or "This is indeed

John Fritz, fronmaster and inventor, famous for his perfection of armor plate processes, celebrated the eightyfifth anniversary of his birth at his home in Bethlehem, Pa., Aug. 21. He Bring your pictures to B. W. Hooker bome in Bethlehem, Pa., Aug. 21. He & Co.'s to be framed. They do good began life as a blacksmith in 1838 and in his long career has been identified with almost every important step in the process of making iron and steel.

Thomas Read, who was order's for Major Robert E. Lee of the Fourth infantry during the Mexican war, is still living in Minneapolis at the age of eighty-two. Captain Ulysses S. Grant was quartermaster of the regiment, and the veteran Read delights in reminiscences of the two officers who subsequently became opposing commanders in the civil war.

#### GOWN GOSSIP.

Surplice effects continue and will be varied, like the other styles of the past season, by their trimmings.

The round waist is perhaps the most popular cut for a foundation, as it permits of so much variety in the method of decoration. The ornate appearance of the new

ratio to the simplicity of the skirts.

They are fairly loaded with decora-

season's chief offerings. They are beautifully shaped, inpering toward the elbow very gradually from the shoulder and then from the elbow down more abruptly. Most of the skirts, whether of

princess cut or otherwise, are plain and full, so that they hang in irregular folds, and they are gathered or laid in inch deep plaits at the waist, but seldom stitched for more than two or three inches.-New York Post.
